# Things to Remember!

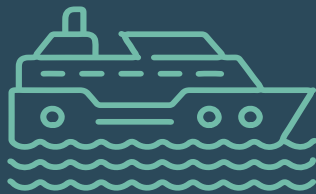

**Map or app - route planning, re-routing because of construction, navigation is always key!**

**Gather your yarny friends & fiber family or bring your non-yarny road trip friends - who knows, you might inspire a new fiber artist on the Tour this year?**

**Passport - downloaded PDF or print copy from a participating shop. Passports help with planning and become a collection of pattern details and memories along the way. They're also the key to PRIZES!**

**Ferry reservations! While you can technically drive to every shop without a ferry, we highly recommend taking advantage of the scenic views and project time aboard the Washington State Ferries.**

**Remember to write your name & contact information in your passport. And don't forget to enter the daily drawing at every shop!**
