Special Stitches

Tunisian Simple Stitch (TSS) - Go under first vertical bar, yo, pull up loop. (2 loops on hook)

Tunisian Purl Stitch (TPS) - Move working yarn to bottom of hook, insert hook into vertical bar, move working yarn up behind hook, yo from back to front, draw up a loop. (3 loops on hook)

Notes

Instructions between * * should be repeated as many times as indicated.

Pattern Instructions

Ch 35 loosely.

Row 1: With Tunisian hook, skip first back loop and go into back loops of chains - should have 34 loops on hook.

Row 2 (Return Pass): Yo pull through 1 (sets the edge), yo pull through 2 all the way until only a single loop remains on hook.

Row 3: *TSS TPS, repeat from * to end of row, at end of row, go through both vertical bars.

(continued on next page...)

Row 4 (Return Pass): Yo pull through 1 (sets the edge), yo pull through 2 all the way until only a single loop remains on hook

You should see the yarn going directly through the simple stitches and a twist (Purl Bump) on the purl stitches

Row 5: TPS into the TSS and TSS in to the TPS to end of row.

Continue to alternate rows to desired width.

After the second return pass, you should see the bottom half of your honeycomb shapes. You should also notice that the TPS stitches seem to be recessed a little while the TSS stitches are more forward. At the end of the third return pass, the first row of honeycombs are complete and the second row is halfway there.

After five return passes - you should clearly see your matching edges and the honeycomb really taking shape

Making sure that you skip an even number of vertical bars allows you to keep your honeycomb pattern continuing with the least amount of interruption.

Binding Off:

Go through loops like TSS, completing a single crochet across. Be sure to catch both vertical loops of the ending bar.

Cut yarn and fasten off.

Weave in ends and block to 10" x 10" square.
